Vacation Care

Adventure Patch Vacation Care provides a full program of holiday care events designed to inspire your child.

We recognise that so much is possible for children when they are inspired, so Adventure Patch provides activities that allow exploration, imagination and fun play giving children a true break from school life.

Our flexible program based in our Outside School Hours Care locations gives your child choice in activity with both 'in' days in a familiar setting and excursions that are created by our specialist Adventure Coordinator.

For more information and initial enrolment please email admin@adventurepatch.org.au or call us on 6229 4914.
