GREEN THUMB

Today's Adventure

Beneath the soil, a secret sleeps. A tiny hope the gardener keeps. With patient hands and morning sun, the work of love has just begun. We plant the seeds in pots and beds, and smile at sprouting grass-heads. With Googly eyes and tufts of green, the silliest sprouts you've ever seen.

SCAVENGER HUNT

at Risdon Brook Dam

Today's Adventure

A kookaburra laughs up so high,
While other animals go bouncing by.
We cross a creek, climb over logs,
And wave hello to sleepy frogs.
With muddy shoes and happy hearts,
Adventure's where the wildness starts.
The bush is calling—can't you hear?
Let's go explore, no time for fear!

THE BIG PICTURE

Today's Adventure

Popcorn's popped, the lights go low,
It's time to let the magic show!
The screen lights up, the music plays,
We're off to lands of wild displays.
The credits roll, we clap and cheer,
"Let's watch another!" fills the air.
For in that seat, with treats in hand,
We travel far without a plan
