Today's Adventure

We are kicking off our first day with our Adventure Coordinator, Anita. Join us for a deliciously creative day! Children will bake their own batch of tasty cookies, then decorate the wooden lids of their very own cookie jars using safe woodburning tools to create personalised designs.

From patterns and pictures to names and special messages, everyone can make a unique lid to match their sweet treats. Once the cookies are baked and the lids are finished, children will pack their cookies into their jars and take home a handmade keepsake.

Today's Adventure

Join us for a special On Country Day as we explore the beautiful Blessington Walking Track together. Children will take part in a guided walk through nature, learning to slow down, observe the environment, and connect with the land around them. While we look for native plants and wildlife, talk about caring for Country, and take time to appreciate the stories and natural beauty of the area, we will reflect on our motto: The only thing we leave are footprints, the only thing we take are memories.
